

# Knowledge Organiser: PHSE Year 2 – Summer 2 – V4 2023

## Children will know:

### Changing Me

- Life cycles exist in nature and that change and aging happens over time
- Physical differences between male and female bodies and the correct names for private parts
- Private body parts are special and no one has the right to hurt these
- Some examples of acceptable and unacceptable touch

## Key Facts/Information:

- Children look at different life cycles and their changes.
- They recap the proper names for private body parts and that nobody has the right to hurt these.
- Children will look at who they can ask for help if they are worried or frightened.
- They will look at different types of touch and identify those that are acceptable and not.

## Prior EYFS Learning Links:

**Prior Learning Links:** (The Jigsaw curriculum embeds prior knowledge from previous years and focuses on developing the children's learning of previously introduced concepts and topics)

### EYFS – Nursery F1

Understanding that everyone is unique and special. Expressing how they feel when change happens. Understanding and respecting the changes they see in themselves. Understanding and respect the changes they see in other people. Knowing who to ask for help if they are worried about change. Looking forward to change

### EYFS – Reception F2

Understanding that everyone is unique and special. Expressing how they feel when change happens. Understanding and respecting the changes they see in themselves. Understanding and respect the changes they see in other people. Knowing who to ask for help if they are worried about change.
