Hallcroft Infant & Nursery School

Design & Technology Knowledge Organiser

Summer 1 - Year 1

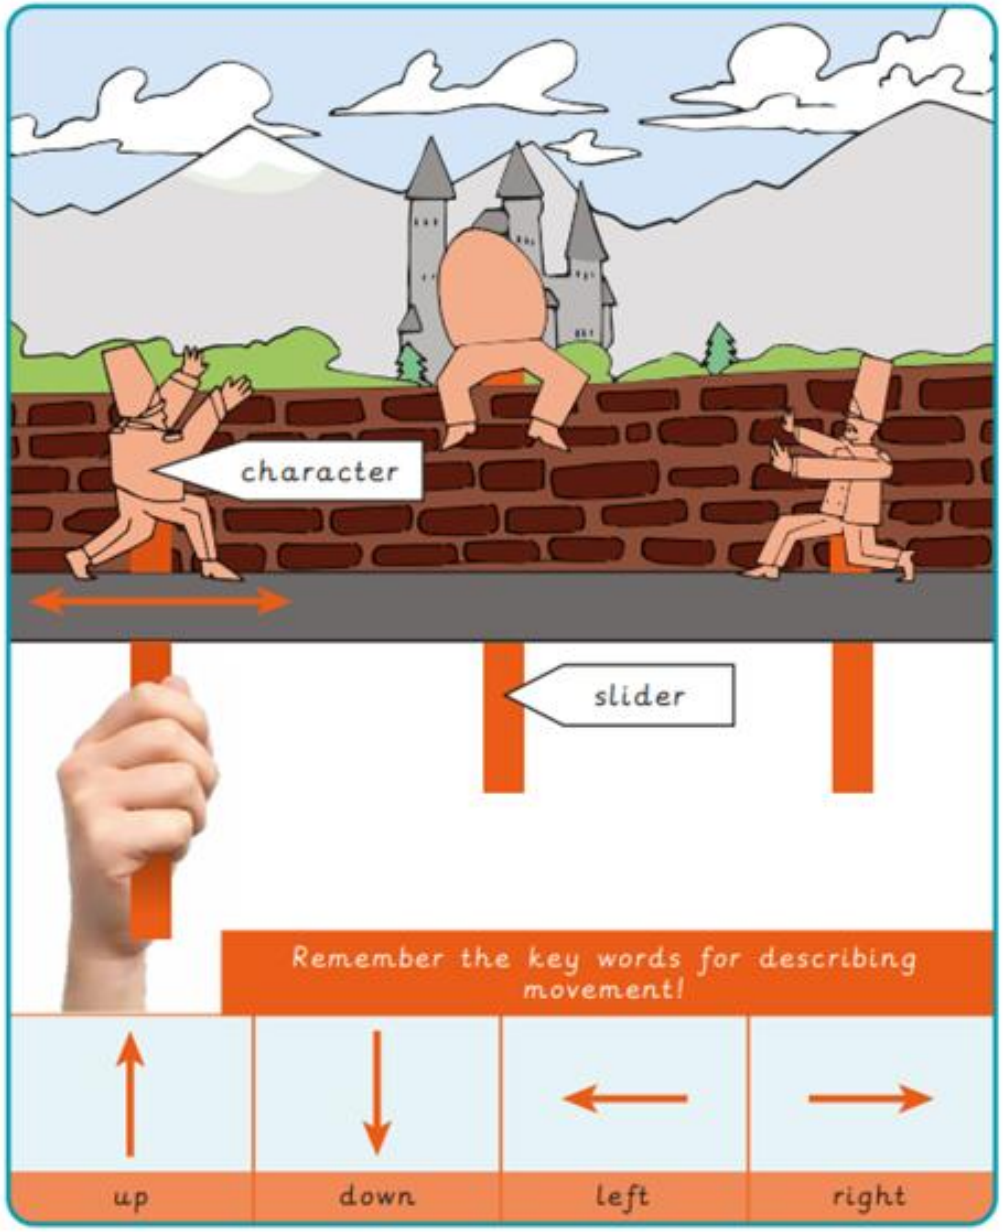

Making a Moving Storybook

What we already know, remember and can do: (Reception)

- Use scissors to cut out.
- Use glue to stick.
- Use both scissors and glue safely.

	Learning Objective	Knowledge What children will know	Skills What children will do	Revisited Vocabulary	New Vocabulary
1	**Exploring Sliders** **Learning Objective** I can explore making mechanisms. ✓	✓ To know a mechanism is the parts of an object that move together. ✓ To know a slider mechanism moves an object from side to side or up and down. ✓ A slider mechanism has a slider, slots, guides and an object.	✓ To understand that sliders are mechanisms. ✓ To identify that sliders can make things move. ✓ To create moving models that use sliders. ✓ To use the words up, down, left and right to describe movement.	up down forwards backwards left right	assemble mechanism sliders
	Future Learning: Mechanisms- Wheels and Axels				

Year 1 DT – Summer 2 – Making a Moving Storybook

Slider – something that can move from side to side or up and down
