

Knowledge Organiser Year 1 – Celebrating Difference

In this Puzzle, children explore how people can be similar and different, reflecting on their own similarities and differences while learning to include others, use kind words and recognise what makes them special. They develop an understanding of what bullying is, how it can make people feel, and who they can talk to if they need help. Across the six Pieces, children practise making new friends, giving and receiving compliments, and showing courage by supporting others. They reflect on how differences should be respected and celebrated. By the end of the Puzzle, children will have created gingerbread people to contribute to a shared Hall of Fame display, recognising that everyone is unique and valued.
